FOR COMFORT AND SAFETY OF ANYTHING YOU CARE IN YOUR LIFE

We always ask ourselves this question: How can we provide both comfort and safety at the same time? Yes, in fact, comfort and safety are two conflicting words... But we ourselves create miracles with these two words... just with some knowledge, intelligence and ability... which are our key words en route to serve humanity. With these key words, we fit comfort and safety into a frame and here emerges White Rose. We, as White Rose, questioning continuously, have rendered our products suitable for people, not the other way around.

What are their needs, how can we assist them in their daily life? First, we discussed all these questions with our professional team and then we could answer them observing the needs of our people.

Thus, under three titles, we made use of our cutting-edge technology for humans comfort and safety. With our Industrial Automation, Urban Automation and Home Automation products we obtained answers of our questions and so we became an unrivaled company in Turkey, ranking among leading companies in the World. Thanks for deciding to get familiar with advanced technology we offer.

YOU ENJOY YOURSELF,
WE TACKLE WITH THE MATTERS.

WHAT IS PRE-SCHOOL CONTROL SYSTEM

It's a kind of safety points at the pre-school entrances. What prevents the issues of the unknown or unidentified people taking child away from the schools without the permission of parents is a new generation technology product. Thanks for this safety system shared together by the pupil and parents as our children feel safer. An authorized person by the parents (service driver etc.) outside of the school comes to Kiosk at the entrance of the school having his identity card read and informs the teacher in charge by a sound-warning system in the class room that the parent of the relevant pupil has come. The teacher bringing the pupil to the exit of the school he / she deliver the pupil to the parent or the people authorized by the parent. This case shall be communicated to parent by SMS using the safety system so that the security of the pupil has been obtained.

IT'S JUST THE TIME TO FEEL THE TRUST GIVEN BY THE TECHNOLOGY

We invite you to feel our technology with a trust and delicacy without leaving your eyes behind. Having detailed convenience, the White Horse Pre-school Safety systems (toddler, nursery school and kindergarten) presents the trust you are looking for with a profound delicacy. We utterly are up to the significance you gave your children. It's just the time to feel the trust obtained by the technology of White Rose Pre-School Control System produced by a new generation technology and enabling simple use.

WHAT DOES THIS SYSTEM GIVES YOUR SCHOOL?

CUTS THE COST

Kiosk System can take control of entrance and exit without any extra personnel expenses and save money.

GAINS PRESTIGE

The parents can have more trust about the school by getting information instantly while the students are coming in and out. This school included in the system can bring more prestige comparing to the others.

TIME SAVING

Brings you time saving by keeping the entrance and exits under control systematically for both parents and the school principal.

STUDENT TRACKING

Students can be tracked by recording the entrance and exits so that the absences, off days can be seen through the system.

TEACHER TRACKING

Teachers entry and exit are recorded and their daily situation, absences, permissions are controlled and monitored from the system.

CLASS-ROOM EXAMINATION SYSTEM

The teacher can determine the students exist or absent by touching one button of the computer in the class-room and complete the entire examination in a short time by using Class-room Examination System brought with Premium Package.

The data retroactively can be detected when required as the system can archive this daily information.

Once the examination is taken within the system, the teacher can see how many students have attended or not, at the same time the school principal can study and issue reports and documents.
